

## MEDIA CATALOGUE

**Please Note:**

- This catalogue does not represent the complete range of media items made by the Media Preparation Unit.
  - The Media Preparation Unit has the knowledge and experience to make an enormous range of media and some tissue culture media.
  - Media not listed in the catalogue can be made to order.
  - The volumes and containers can be matched to customer requirements.
  - Customers can supply their own containers if they wish.
  - For further information on the range of media, the production of special media, trial batches of media or experimental media, please contact the co-ordinator on (03) 83445414.
- S = Stock Item, NSI = Non – Stock Item
